ABOUT ME

Motivated and detail-oriented Artificial Intelligence and Machine Learning student with strong foundations in data structures, algorithms, and statistical analysis. Passionate about building intelligent systems, solving real-world problems, and exploring domains like cybersecurity, , and predictive modeling. Quick learner with strong analytical and problem-solving skills.

EDUCATION

2026 - Present

R V College of Enineering

Bachelors in AIML

I am currently pursuing a Bachelor's in Artifical Intillegence and Machie Learning at R V College of Engineering , Bangalore .

2021- 2024

Jain Polytechnic

Diploma in Computer Science & Engineering

I have completed my Diploma in Computer Science and Engineering from Jain Polytechnic, Belagavi. During my time there I gained a strong foundation in Computer Science principles, programming, and technical problem-solving, which has prepared me for further studies and a career in technology.

EXPERIENCE

- 10 + websites developed and hosted for clients
- Plant Desease Detection integrated with AI
- AI integrated Document Classification Model (filed for patent and published paper)
- AI 3D Printer
- Prompt manager and generator
- E-commerce website for Books
- Network Intrusion Detection System

SKILLS

- FullStack Dev
- Python
- Analytics
- Web Developer
- C , C++, Java
- Software Developer
- Communication
- Problem Solving
- Cyber Security
- MERN
- Collaboration

ACHIEVEMENTS

- 1.NPTEL Certified Software Developer
- 2.NPTEL Certified Data Science Engineer
- 3.Infosys Certified Cloud Engineer
